From your Directors...

We had a lovely turn out for our year-end annual Holiday Dinner Party at the Tualatin Country Club with 33 people in attendance! The food was delicious and there was plenty of it! Also, member John Guilliams donated several bottles of wine to the event to not only save us some money, but also to just indulge us in a very nice 2006 Cabernet Sauvignon. Thanks John!!!

♥**HAPPY**
Valentine's
DAY♥

Our first event of the year is the Valentines Brunch at the Multnomah Falls Lodge. We are all set up for **Sunday, February 15th at 11AM**. We will meet as always at Lewis and Clark State Park, then drive out to the lodge. We have also arranged for the special parking lot as we have done in the past. A flyer has already been sent with all the details.

Our first meeting this year is going to be one week late, **January 8th**, the second Thursday. Thereafter, we will meet on the first Thursday as always. Also, we have a new meeting location – the **Clackamas Community Club - 15711 SE 90th Ave, Clackamas, OR 97015**. Give yourself a little extra time to get there if it's your first time. We will meet at 6PM as usual. **PLEASE NOTE** that you will need to bring whatever you'd like to eat or drink since this location does not offer food. We will discuss our food options for the future at this meeting.

Merry Christmas

Christmas started a little early for a few kids in the tiny eastern Deschutes County town of Brothers. The students at the Brothers schoolhouse -- all seven of them -- came to Bend for a field trip and got bags full of school supplies and stuffed animals.

But the gifts didn't come from Santa Claus, they came from club member Tom Collier. He's been providing school supplies to different districts across Oregon and California for nearly three decades. He started giving gifts to Brothers about 10 years ago after he realized how isolated they are.

Collier spends around \$15,000 a year on school supplies. But he says it's all worth it for the next generations. "This is their formative years. It's really important for us to do the best that we can for them so that they become the very best," he says Well done, Tom!!

Club Hookup

With the success we have had combining the Packard and Classic Car clubs, we thought it might be time to reach out to some other clubs as well – not to combine in the same way, but to share activities together. If we share our activities calendars, we can elect to join some of their activities, and they can share in ours. Surely, we all agree "the more the merrier!" We want to start with the Cadillac Club and the Rolls Royce Club. Member Eric Newland has already had a preliminary conversation with the Rolls folks and they appear enthusiastic. We'll reach out to the Caddy folks as well. With that many clubs, our events should be quite well attended.
