March 2026

From your Directors...

We had a lovely day with our Valentines Brunch at the Multnomah Falls Lodge on February 15th! The weather cooperated and we did have several cars and 23 people in attendance. The parking lot was a little like playing a game of Tetris this year, but we made it work. The food and company were great as always. Thanks to everyone who made it out!

MARCH TECH SESSION

Our tech session is scheduled for Saturday, March 14th in Newberg at Dave Charvet's garage. Mike McCreedy will be our featured speaker with, I believe, a focus on positive crankcase ventilation – myths and realities! As you know, Mike is a real expert and authority on our types of cars. Lunch will be served, **so we will need to know if you're coming.** A simple email to John Imlay will suffice. We look forward to seeing you!!

YOUR OFFICERS HAVE NOTED A DROP IN MEETING ATTENDANCE, WITH A LACK OF FOOD AS A CONTRIBUTOR. TO THAT END, WE HAVE FOUND A RECOMMENDED LOCATION THAT SERVES FOOD, USED BY OTHER CAR CLUBS. So, our next meeting is Thursday, **March 5th**, at **the High Rocks Restaurant and Lounge- 915 E Arlington St., Gladstone, OR 97027.** We will meet at 6PM as usual for dinner and to chat, but **the meeting will commence at 6:30PM.** Give yourself a little extra time to get there if it's your first time. This is a new location we are trying. **It is a full-service restaurant with a banquet room for our meeting!**

2026 Fall Tour

Our fall “Howie” tour is in the planning stages and hopefully, you have seen the flyer sent out earlier. This year, we plan to experience the Olympic Peninsula and National Forest including Kalaloch Lake, Lake Crescent, and a couple of days in Victoria BC before heading back south. This year’s tour is planned for seven days instead of the usual nine days. Get your deposit in if you’d like to attend!!

The 2026 CCCA Annual Meeting

MARCH 25-29, 2026 · KIRKLAND, WASHINGTON

COMING UP!!

The 2026 CCCA Annual Meeting is scheduled from Wednesday, March 25 - Sunday, March 29 in Kirkland, WA, on Lake Washington. This is supposed to be a terrific event and it’s rare for it to be so close to us! They’ll visit three local private collections, as well as LeMay, America’s Car Museum in Tacoma. Exploring other modes of Classic Transportation, they’ll also tour the Museum of Flight south of Seattle. On Thursday evening a dinner cruise on Lake Washington is planned. The traditional display and judging of Classic Cars will take place on Saturday, followed that evening by the Banquet and Awards Ceremony. Several of us have already signed up, so check the CCCA website for more details and the registration form.

Let’s pray for good weather!

THE PNW REGION LOOKS FORWARD TO

Club Hookup

With the success we have had combining the Packard and Classic Car clubs, we thought it might be time to reach out to some other clubs as well – not to combine in the same way, but to share activities together. If we share our activities calendars, we can elect to join some of their activities, and they can share in ours. Surely, we all agree “the more the merrier!” We want to start with the Cadillac Club and the Rolls Royce Club. Member Eric Newland has already had a preliminary conversation with the Rolls folks and they appear enthusiastic. We’ll reach out to the Caddy folks as well. With that many clubs, our events should be quite well attended.
