

## Hillsboro Cruising Tuesdays

It's a Tradition! Oregon CCCA and Packards of Oregon are invited back, with our friends from Oregon Mini Society meeting an enthusiastic reception from our target audience.

We'll be showing our best on July 23 in downtown Hillsboro. It's a great [Farmers Market](#), along with the car show, Cruising Tuesdays, is held on 2nd Street between Main and Lincoln. It's excellent to have the opportunity to see the excitement of kids old and young. And there's no admission ticket for the young or old. This is how we show the young ones these cool old cars.

**It's coming up soon. Please let us know you'll be joining us.**

The folks putting on the show will reserve spaces for our clubs members and park them all together, so an RSVP is needed to make this all work. We'll meet at Lincoln (a block north of Main) and 2nd Streets at 4:30 and be directed to our assigned area on Second St. The show runs from 5:00 to 8:30.
