

Tuesday Market Tour

Tuesday, July 9, Packards of Oregon are invited to the Hillsboro Tuesday Market for Cruzin' Tuesday. It's a great opportunity to put Packards in front of a wider public. The wider public includes children who are smitten with the old cars. It's a good chance to answer the question 'Who made Packard' There is always great food, plenty sunshine, vendors with flowers, produce, berries, pastries, bread, arts and crafts, wineries and breweries, and lots of food trucks with great eats, all the things that make for a great farmers market. There will be live music featuring Johnny Limbo and the Lugnuts, and, of course, the cars! There is always a great mix, and often single marques will reserve space to show off their rides together. Tuesday Market is held from 5 PM to 8 PM in downtown Hillsboro on Main Street, with vendors on Second and Third Streets as well. The car show is on Second Street in front of the Courthouse.

It is suggested that you come prepared with your favorite Packard, lawn chairs, sunscreen if you scorch easily, greenbacks for the vendors, and a smile to greet the curious questioners. We'll meet on Lincoln Street at Second Street at 4:30 PM.

As we are reserving spaces for our club members, it is imperative that you respond to reserve your space. Please reply to the [Club Email](#) with:

Your name. The model of your car. The year of your car.
